Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Sunday 17 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry and cloudy today. Rain from tomorrow afternoon onwards.

Today:
A mostly dry day, though there could be a few showers. Some sunny spells are possible during the early morning before cloud moves in from the northwest. Light winds. Maximum temperature 7 deg C (45 deg F).

Tonight:
Showers becoming more frequent during the evening and overnight. Some clear spells may develop in the early hours. Stronger winds. Minimum temperature 2 deg C (36 deg F).

Monday:
A few morning showers are likely before outbreaks of heavy rain move in during the afternoon and continue overnight. Generally cloudy, though possibly brighter around midday. Turning windy overnight. Maximum temperature 8 deg C (46 deg F).

Outlook for Tuesday to Thursday:
Persistent heavy rain will continue through Tuesday and Wednesday, with strong winds in southern areas on Tuesday. Brighter on Thursday, with wintry showers and a risk of ice.
